EASTON PLACE is situated within walking distance of the Hazel Avenue Light Rail Station. Planned as a major transit-oriented community, Easton Place provides approximately 1,600 units of high-density housing and 3.5 million square feet of commercial space in its 183 acre site. Envisioned as a regional destination with shopping, civic and entertainment uses, it is also the gateway to an existing administrative campus—a site with more than 3,000 employees today.
